## A Message From the Grand Tall Cedar

Greetings from the Grand Tall Cedar of Baltimore Forest number 45! There are so many things that I want to get into in this article but I first and for most I want to say that I hope everyone had a happy and healthy summer break! I know that my family and I had an amazing time and boy was it ever eventful.

I cannot forget to mention the Amazing time that was “The 100 Year Grand Tall Ball” held back on June 15. This was an amazing time with wonderful food and even better people. We came together to celebrate 100 years of Baltimore Forest number 45. I would like to give a special thanks to Ray Vogel! Ray was instrumental in the planning and basically making sure that this wonderful event even happened. I need to also thank the Supreme Family for coming down and sharing their amazing story and the journey that they have been on. Hearing their story again has again strengthened my resolve to end this horrible disease. There were also so many other people that helped in making this event happen and I want to thank anyone who helped and I also want to thank anyone who was able to come out and make that event as special as it was. The guest that attended were from all over the Cedar Kingdom and it was amazing to see so many people in attendance. I am so grateful to be a part of such an amazing and dedicated group.

I would also like to let people know about a few events that are still on the calendar for 2019. We will be having our Second Annual Golf Tournament (more details to follow). We will also be having a bingo, coin tosses, Pancake Day, party with Santa, meetings, among other things and let’s not forget with everything that we do there will be fun, frolic and fellowship. With each event we could always use some extra hands so please reach out and let’s figure out how to make the second part of the year even better!

I want to remind people that we will still be having our meeting on the third Thursday of each month. All are welcome to come and participate in a delicious meal and conversation. Friends and family are always welcome. Well at this point I feel like I am starting to ramble, so I will leave you with this. Thank You, Thank you, Thank you, for all that this Forest has done and will do in 2019. I am so happy that I am able to be your Grand Tall Cedar. God Bless and have a wonderful day!

Thomas Green

Grand Tall Cedar, Baltimore Forest #45

## A Message From the Senior Deputy

Greetings and salutations from the SDGTC, Senior Deputy Grand Tall Cedar of Baltimore Forest # 45 Matthew Green. Welcome back from the summer break everyone! I hope that everyone got some fun frolic and fellowship in during the summer months. Time really does fly but I am glad we are back because we still have a lot of fundraising that needs to be done in 2019 and I am excited to stand next to the GTC and JDGTC in getting this done. After the 100 Year Grand Tall Ball when we heard from the Supreme Family and seeing how far that young man has come, I just feel that we are getting closer every day to finding a cure and it feels amazing to be a part of this group that is working so hard.

I want to remind people about the 100-year club! This is a group of people that are donating \$100 dollars and in doing so they will have their name engraved onto a plaque that will be displayed in the hall and these funds will be going towards helping to find a cure. But it does not end there, we have so many other awesome events from coin tosses and Pancake Day among others so please lend a hand and get involved. Now the Grand Tall Cedar Thomas Green calls me the "Idea Man" so I want to throw this out to others as well. If you have an idea for an event or activity, please let me know and I will do my best in figuring out a way to make this happen.

Please don't forget to come out to meetings. The food is amazing, the drinks are cold and the conversations are awesome! I look forward to seeing everyone on the third Thursday of each month. Bring friends and family. I know that I will be there. Thank you guys and have a fantastic day!

Senior Deputy Grand Tall Cedar SDGTC

Matthew Green

## A Message From the Junior Deputy

Greetings Baltimore Forest Number 45. This is your Junior Deputy Grand Tall Cedar Scott Lapp. I don't know about you but my family and I have had a fantastic summer break, I hope all you reading this have had an amazing break as well. I hope that we all got good rest and we are all ready to get back and finish this already wonderful year off strong.

I think that we can all agree that the 100-year celebration at the Grand Tall Ball was nothing short of incredible, but I don't want us to forget about one of our biggest days of the year. That is our Pancake Day! This day is a huge fundraiser and is a time that we can all come together to raise money and let's not forget about eating pancakes. I know that my family and I will be doing our part to help out and I hope that you and your family will be doing their part as well.

Remember that doing your part could be both attending and enjoying the day or it could be volunteering and enjoying the day. This year has been fantastic so far and I am excited to help in keeping it going. Never forget why we are doing these events and that is to raise money and help put a stop to this horrible disease. I want to thank everyone for taking a moment and reading the Cedar Tree and I hope to see everyone out at a meeting. As always, I look forward to seeing you soon.

Junior Deputy Grand Tall Cedar

Scott Lapp

## THE CEDARETTES OF BALTIMORE, INC.

SEPTEMBER/OCTOBER 2019

MARCY LAPP - PRESIDENT

CAROLYN GREEN - VICE PRESIDENT

Hello Cedarettes,

Hope everyone had a safe and full summer. Let me take a minute to bring you up to date with our past months happening.

Our May Convention was once again held in Wildwood, New Jersey. It was well attended and all three of the MDA families attended and participated in our parade. The Cedarettes were entered in the parade as a misc. walking unit and we took third place. Baltimore Forest Color Guard once again took first place. Our entire forest participants took Best in Show!! This award is based on how all your forest units looked together. We looked great!! What an honor.

We did not have a June business meeting but did meet with the men for a game night. It was really a fun evening playing, corn hole, Jenga and other games.

June 15<sup>th</sup> was Baltimore Forest 100<sup>th</sup> anniversary event. What a night of great food, past memories, music and even a photo booth. The Cedarettes were well represented with 27 of us there including our MD family. Thank you Ray Vogel for chairing such a fabulous event. Everyone had a great time.

July 28<sup>th</sup> we held our audit and executive meeting. Thank you Sharon Tumminello for hosting us. Food was delicious. All was in proper order with our books. Some great ideas were tossed around for upcoming events this fall at the executive meeting. We are planning a bus trip to Bird in Hand theatre in November. More information to follow. We are also looking at an Atlantic City trip, time to be determined.

August was a time to relax and build energy for our fall gatherings.

Our Ill and Distressed through the summer were:

Sharon Tumminello-had gall bladder removed-doing well

Florence Littleton-continuing to recover and getting stronger

Charlotte Huber-knee replacement-doing well

Julie Pierce-currently -back in rehab at Heritage/German Hill Rd

September 19<sup>th</sup> is our Past President's night meeting. If you are a past president, please try to attend this meeting. It is a boost to our ladies when our past presidents come out for this night. Marcy has a very nice meeting planned and would appreciate your support.

Thought this was funny!!

Our October meeting is the 17<sup>th</sup>. Would love to see you. There are several fund raising events this month.

October 16<sup>th</sup> is our Boscov money saving coupon event. Sherry and I will be at the second floor entrance at White Marsh Mall 2-8 selling the 25% coupons for \$5 if you haven't purchased yours. We will also have them available at the September meeting.

October 27<sup>th</sup> is Carolyn Green's paint/brunch event at the Tall Cedar Hall. Please call or text 443 804-0789 Carolyn to reserve your spot. This is open to all children. Call Carolyn for reservations or text her at chgreen967@gmail.com.
